In her captivating new book, "New Leaf: Growing With My Garden," renowned author and gardener Susannah Conway invites you on an extraordinary journey of self-discovery through the transformative power of gardening.

Join Susannah as she shares her intimate experiences, insights, and practical wisdom gained from a lifetime spent cultivating her own verdant paradise. Through her vivid prose and stunning photography, she weaves a narrative that will awaken your senses and ignite your passion for gardening.

A Tapestry of Personal Reflections and Horticultural Expertise

Susannah's book is more than a gardening guide; it's a tapestry of personal reflections intertwined with horticultural expertise.

Through poignant anecdotes and inspiring quotes, she reveals how gardening has become a sanctuary for her soul, offering solace, creativity, and a profound connection to the natural world.

At the same time, she imparts practical knowledge on every aspect of gardening, from seed selection to sustainable practices, making this book an essential resource for both seasoned gardeners and those just starting out.

Cultivating Growth and Renewal in Your Own Life

As you journey through Susannah's garden, you'll discover not only how to grow beautiful plants but also how to cultivate growth and renewal in your own life.

Through her insightful observations, she draws parallels between the cycles of nature and the complexities of the human experience, offering valuable lessons on:

- The importance of patience and perseverance
- The art of acceptance and letting go
- The transformative power of gratitude
- The interconnectedness of all living things

A Stunning Visual Feast for Gardeners of All Levels

Beyond its literary brilliance, "New Leaf" is also a stunning visual feast.

Filled with breathtaking photography and illustrations, the book captures the beauty and diversity of Susannah's garden in all its seasons.

Whether you're a seasoned horticulturist or simply appreciate the wonders of nature, these vibrant images will inspire you to create a flourishing paradise of your own.
