By Matthew Perry

A darkly funny and deeply moving novel about love, loss, and the power of friendship, from Friends star Matthew Perry.

Ben is a successful television writer with a loving wife and two beautiful children. But when his wife is diagnosed with a terminal illness, his world is turned upside down. As he struggles to cope with the impending loss of his soulmate, he finds solace in the most unexpected place: his friendship with his ex-girlfriend, Kate.

Kate is a brilliant and compassionate doctor who has always been there for Ben, even when they were no longer together. As they spend more time together, they rediscover the deep connection they once shared. But as Ben's wife's health declines, he must confront the guilt and regret he feels over his past relationship with Kate.

Friends, Lovers, and the Big Terrible Thing is a heartbreaking and heartwarming story about the complexities of love, loss, and the enduring

power of friendship. It is a novel that will stay with you long after you finish reading it.

Praise for Friends, Lovers, and the Big Terrible Thing:

- "A darkly funny and deeply moving novel about love, loss, and the power of friendship...Perry writes with a raw honesty and vulnerability that is both heartbreaking and heartwarming." - *The New York Times*
- "A beautifully written and emotionally resonant novel...Perry has a gift for creating characters that are both deeply flawed and deeply lovable." - *People*
- "A must-read for anyone who has ever loved and lost...Perry's novel is a powerful reminder that even in the darkest of times, we are never truly alone." - *USA Today*
