Congratulations on the birth of your new baby! This is an exciting and challenging time, and we're here to help you navigate it with confidence. Just The Basics Baby is the ultimate guide to newborn care, covering everything you need to know from feeding and diapering to sleep and safety.

Written by a registered nurse and mother of two, this book is packed with practical advice and tips to help you care for your newborn with confidence. We'll cover all the basics, including:

- Feeding: How to breastfeed or bottle-feed your baby, and how to tell if they're getting enough to eat.

- **Diapering:** How to change a diaper, how to prevent diaper rash, and what to do if your baby has a diaper rash.
- **Sleep:** How to create a safe and comfortable sleep environment for your baby, and how to help them get the sleep they need.
- **Safety:** How to protect your baby from accidents and injuries, and what to do if your baby gets sick or injured.

We also include a chapter on common newborn health problems, so you can be prepared for anything. Just The Basics Baby is the only newborn care book you'll need, and it's a must-have for all new parents.
