Drawing on a wealth of sources, including travel accounts, diplomatic correspondence, and literary texts, Davis paints a vivid picture of the interconnected world of the early modern Mediterranean. She shows how Muslims and Christians lived, worked, and interacted with each other in a variety of settings, from the bustling marketplaces of Istanbul to the cosmopolitan courts of Vienna and London.

Davis's work is a major contribution to the study of early modern history. It offers a fresh perspective on the relationship between Muslims and Christians during this period and provides a valuable resource for scholars and students alike.
