About the Islands

Sint Maarten and Saint Martin are two neighboring islands in the Caribbean Sea. They are known for their beautiful beaches, lush rainforests, and vibrant culture. The islands are a popular tourist destination, and they offer a wide variety of activities for visitors to enjoy.

Sint Maarten is the southern part of the island, and it is a Dutch territory. Saint Martin is the northern part of the island, and it is a French territory. The two islands are separated by a narrow channel of water called the Simpson Bay Lagoon.

The Photographs

The photographs in this book are simply stunning. Straub has a gift for capturing the beauty of the natural world, and his photographs of Sint Maarten and Saint Martin are no exception. The images in this book will transport you to the islands and allow you to experience their beauty for yourself.

The photographs in this book are divided into several sections, including:

- Beaches
- Rainforests
- Culture
- People

Each section features a variety of photographs that showcase the different aspects of the islands. The photographs are accompanied by captions that provide additional information about the images and the islands.
