Comprehensive and Up-to-Date

This comprehensive dictionary contains over 140,000 entries, ensuring you have the pronunciation for even the most obscure words. Our team of renowned linguists has meticulously researched and updated the pronunciations to reflect the latest usage in both British and American English.

- Accurate phonetic transcriptions using the International Phonetic Alphabet (IPA)
- Clear and concise instructions for pronouncing each syllable
- Alternative pronunciations for common words to accommodate different dialects

Perfect for All Levels

Whether you're a native English speaker looking to refine your pronunciation or a non-native speaker seeking to master the language, this dictionary has something for you. The user-friendly layout and intuitive organization make it easy to find the pronunciations you need quickly and efficiently.

- Ideal for students, teachers, professionals, and anyone who wants to improve their spoken English
- Supports English language learners from intermediate to advanced levels
- Helpful for improving diction, clarity, and fluency in speaking

Benefits of Using This Dictionary

By incorporating The Routledge Dictionary of Pronunciation for Current English into your learning or teaching repertoire, you unlock a wealth of benefits:

- Enhance your spoken communication skills and project confidence in any situation

- Avoid embarrassing pronunciation errors and speak with clarity and precision
- Improve your listening comprehension by understanding the correct pronunciation of unfamiliar words
- Gain invaluable insights into the subtleties and nuances of English pronunciation
- Become a more effective orator, public speaker, or language teacher

Indispensable for

This dictionary is an indispensable resource for anyone who wants to:

- Speak English with confidence and clarity
- Improve their communication skills in both personal and professional settings
- Enhance their pronunciation skills for academic purposes, such as presentations or debates
- Prepare for standardized English language tests, such as IELTS, TOEFL, or Cambridge English exams
- Teach English as a foreign language or improve their teaching skills
